Medinah Co-ed Youth Spring Soccer League (BW) C

Enjoy the fun and excitement of league soccer! The Medinah Co-ed Spring Youth Soccer League will participate in the Mid-Suburban Soccer League. Other districts included are: Addison, Glendale Heights, Itasca, Roselle, Villa Park, Hanover Park and Wood Dale. This league promotes an atmosphere of enjoyment, teamwork, and good sportsmanship while learning and improving upon fundamental skills. Adult volunteers coach and instruct each team. Teams will be formed immediately following the registration deadline and volunteer coaches will be confirmed and contacted.

Registration – Every effort will be made to place registrants on a team; however, once a team has filled, registrants will be placed on a "wait list" in an effort to create another team. In the event we have enough "wait list" participants, kids will be divided up to create an even number of boys and girls on each team. Because of this, we ***cannot guarantee*** that your child will play on a requested team. Participants will be informed of team placement by their coach the week of March 15th.

Registration Deadline: March 14

Practices and Games – Practices are held twice per week with practice days and times set at the discretion of the coach. Games will be played on Saturdays. Time and location of games will be determined by league schedules. Parents must be able to transport their child to and from practices and games.Practices will start the first week of March 29. Coaches will have a coaches meeting on March 24 to pick up their rosters.

Uniforms – All players must wear their 2026 Fall soccer Medinah Park District uniform. If you are new to the program you must order a new jersey ($140.00 fee option) at the time of registration. Please note on your registration form the size of jersey you would like to order (YS, YM, YL, AS, AM, AL). Black shorts and socks are required and should be purchased on your own. All participants are required to wear shin guards underneath their socks at all practices and games.

Coaches – The Medinah Park District relies on volunteer coaches to help run this program. Without volunteers, we would be unable to offer such a popular program. All coaches will be provided with certification and educational materials for the purpose of safety and improved skill development for players. If you are interested in coaching, please indicate your interest on your child's registration form.

***Park district members of the Mid-Suburban Soccer League have adopted the new standards set forth by the U.S. Youth Soccer Organization. Attention Trip Participants!

Did you ever wonder why your favorite trip gets cancelled? Each trip requires careful planning and sometimes this means that deadline dates for final counts are 3-6 weeks before a scheduled trip. If the participant count is not high enough by the deadline date, we must cancel or forfeit our deposit. For this reason, we suggest that if you see a trip that strikes your interest, sign up for it as soon as possible. This will ensure the participant count is high enough to keep the trip going.

All trip return times are approximate. Transportation is provided by the Medinah, Roselle or Bloomingdale Park District mini bus unless otherwise noted. The buses are air-conditioned and provide accessible seating options for our handicapped participants. Refunds requested after the registration deadline will not be granted unless the trip registrant's spot can be filled.

We attempt to give you as much information as possible regarding the amount of walking required during each trip. The symbols will allow you to make a more informed decision regarding trip registration.

2 = Moderate walking
3 = Heavy walking

Co-operative Programs
The Medinah Park District co-ops with the following leisure service agencies to provide program opportunities for you and your family: Addison Park District, Bloomingdale Park District, Itasca Park District, Roselle Park District and the Wood Dale Park District.

Employment Opportunities
The Medinah Park District offers a variety of part-time and seasonal positions. Individuals who are friendly, hardworking and dedicated to doing a good job are desired. You must be age 16 years or older to be considered for a position. Due to the many applications received and the limited number of positions, the District will only contact those being considered for a position. Please also consider volunteering with the Park District if not hired for a position. The Medinah Park District is an equal opportunity employer.

Insurance Disclaimer
The Medinah Park District is committed to conducting its recreational programs and services in the safest manner possible and holds the safety of participants in the highest regard. Participants and parents registering their child in recreational programs must recognize, however, that there is an inherent risk of injury when choosing to participate in activities.

Please recognize that the Medinah Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive; therefore, each person registering themselves or a family member for a recreational program/activity should review their own medical insurance policy for coverage. It must also be noted that the absence of medical insurance coverage does not make the Medinah Park District automatically responsible for the payment of medical expenses. The Medinah Park District requires that all program participants or legal guardians sign a Liability Waiver and Release form at the time of registration.

Program Guide Changes/ Errors Disclaimer
Due to the large amount of information available in the Medinah Park District program guide, errors and changes before and after publication may occur. While we attempt to locate and fix all errors in the proofing process, some items are missed. We apologize for any errors that may occur and will attempt to advise you of any changes as quickly as possible. Please check online for updated information.

Program Cancellations
Programs that do not reach the advertised minimum registration number at least one week prior to the start of the program may be cancelled due to low enrollment. Participants will be notified of the cancellation as soon as possible. Full refunds will be issued for programs cancelled due to low enrollment. If a program has an advertised deadline date listed in the brochure description, the program will be cancelled after that date if minimum registration has not been reached.

Americans with Disabilities Act
The Medinah Park District is committed to accessibility for individuals with disabilities and strives to provide equal, integrated participation in all programs, services and activities. The park district's policy is to reasonably accommodate all qualified program applicants in accordance with the Americans with Disabilities Act (ADA). We welcome questions, comments and concerns of interested community members regarding district ADA compliance.

To arrange for auxiliary aids or accommodations enabling individuals with disabilities to participate in park district public meetings, or to request publications in a special format (audiocassette, large print) please call 630-893-2560 or write to 22W130 Thorndale Avenue, Medinah, IL 60157.

Parking for PreK/K, 1st/2nd Grade Soccer Field, T-ball Field
Park District PreK/K, 1st/2nd Grade Soccer and T-ball program participants and spectators should park in the Medinah Intermediate School parking lots located at the corner of Medinah Road and Thorndale Avenue. The lots provide for a short walk to the school athletic fields. These lots are located apart from the main parking lots at Thorndale Park/Connolly Recreation Center.

Visit Our Website
The Medinah Park District's website can be located at www.medinahparks.org. You can peruse programs, register online, review Board of Commissioners meeting minutes and agendas, download a printable registration form, find an application for employment or view our site and stay informed. Say Cheese!
Photos and video of participants in programs or special events and users of District facilities or parks are used in publicizing and promoting the District. All persons registering for District programs and activities or using District property thereby agree that any photograph or video recording taken by the District may be used by the District for promotional purposes. Please tell an instructor or photographer if you do not want to be photographed or video recorded.

Athletic Field Conditions
Home game field conditions and updates for youth soccer, and baseball/softball can be attained by checking the Park District's website at www.medinahparks.org. Please check with your coach about practice and away game cancellations.

Inclusive Recreation Programs
In a continuing effort to meet the needs of residents with special needs, NEDSRA (see page 40) and the Medinah Park District provide inclusive recreation services. This means that individuals with disabilities can participate in programs offered by the park district. This inclusive recreation environment provides residents with disabilities greater choices for their leisure time and allows all residents to learn about one another as they participate together. Let the park district and NEDSRA know of your special needs and interests so that we can provide the support necessary for successful inclusion. By communicating your needs, the park district and NEDSRA can be prepared to provide you with appropriate services.

3 Easy and Convenient Ways to Register

On-Line Register via Medinahparks.org/Register

Walk-In You may bring your registration form directly to the Registration counter at the Connolly Recreation Center, 22W130 Thorndale Avenue.

Mail-In You may mail your registration form to the Medinah Park District, 22W130 Thorndale Avenue, Medinah, IL 60157.

Registration Information

Walk-In program registration will be accepted during regular Connolly Recreation Center building hours of 7:00 am-9:00 pm Monday-Thursday, 7:00 am-8:00 pm on Friday, 7:30 am-12:00 pm on Saturday.

Medinah Park District residents receive preference during program enrollment periods and may register for programs beginning November 30. Registration is taken on a first come, first serve basis.

Resident Registration Begins: November 30
Non-Resident Registration Begins: December 7

Non-resident registration rates are 1.75 times the resident fee with the additional fee not to exceed $15.

All registration fees must be paid at the time of registration unless noted otherwise. Persons enrolling after the start date of a program will be required to pay the entire program fee. Pro-rating of program fees will not be accepted.

Are You a Resident?

The Medinah Park District has definitive boundaries that take in parts of Roselle (zip code 60172), Itasca (zip code 60143) and Medinah (zip code 60157). In fact, you may be a resident of the Medinah Park District and your neighbor next to you or across the street from you may not be residents of the park district.

Why is this important? Medinah Park District residents support the district by paying property taxes to the district while non-residents do not. Residents are thus afforded special privileges and benefits.

How do you know if you are a resident? If you are a property owner, look at a copy of your most recent tax bill. If the Medinah Park District is listed, you are a resident. If you rent, call us at 630-893-2560 and give us your address; we will be able to tell you if you are a resident or not.

What about those privileges and benefits? To begin, residents receive the first opportunity to register for our seasonal program offerings. Secondly, residents who register for our programs and services are charged a lower user fee than non-residents. Residents are also charged less for facility rentals. This is because residents pay taxes that support our Park District and in return we offer lower fees for services.

Registration Fees

Cash, personal checks, money orders and VISA, MASTERCARD or DISCOVER CARD may be used to pay for Park District registration fees, membership fees or services. Checks and money orders must be made payable to the Medinah Park District.

Class Cancellation/Changes

Most programs have a minimum and maximum number of openings. If your class is cancelled due to low enrollment, the park district will make every attempt to offer an alternative class when available or credit a family account or provide a full refund. Class decisions about cancellations are usually made seven days in advance. Please be aware that certain programs have special registration deadlines that will be listed if different than the general seven day period.

Once programs begin, individual classes may change or be cancelled due to weather and/or the instructor being ill. Every attempt will be made to make up the class; however, we cannot guarantee this as there are other programs that may conflict with us being able to provide a makeup time. Unfortunately, refunds cannot be issued if this happens.

Minimums and Maximums

A class minimum is established to make sure that a program has enough registration support to justify holding the program. Since most instructors are paid per class period, running classes with less than the minimum of registrants would be a drain on the financial network of the Park District. A vast majority of our recreation programs are self-sufficient. If a class does not meet the minimum number of participants, it may be cancelled. In these cases, registrants will be notified. *Please see Program Cancellations on our General Information page.*

Maximum numbers are established to maintain the safety and quality of a program. We keep student/instructor ratios low to insure you get what you pay for; a higher quality program. Room capacity and ratios are primary considerations for the maximum number listed.

Waiver Forms Required

A signature is required on the waiver portion of all registrations. Please read the waiver in full before signing. Registrations cannot be processed without the waiver signed.

Return Check Policy

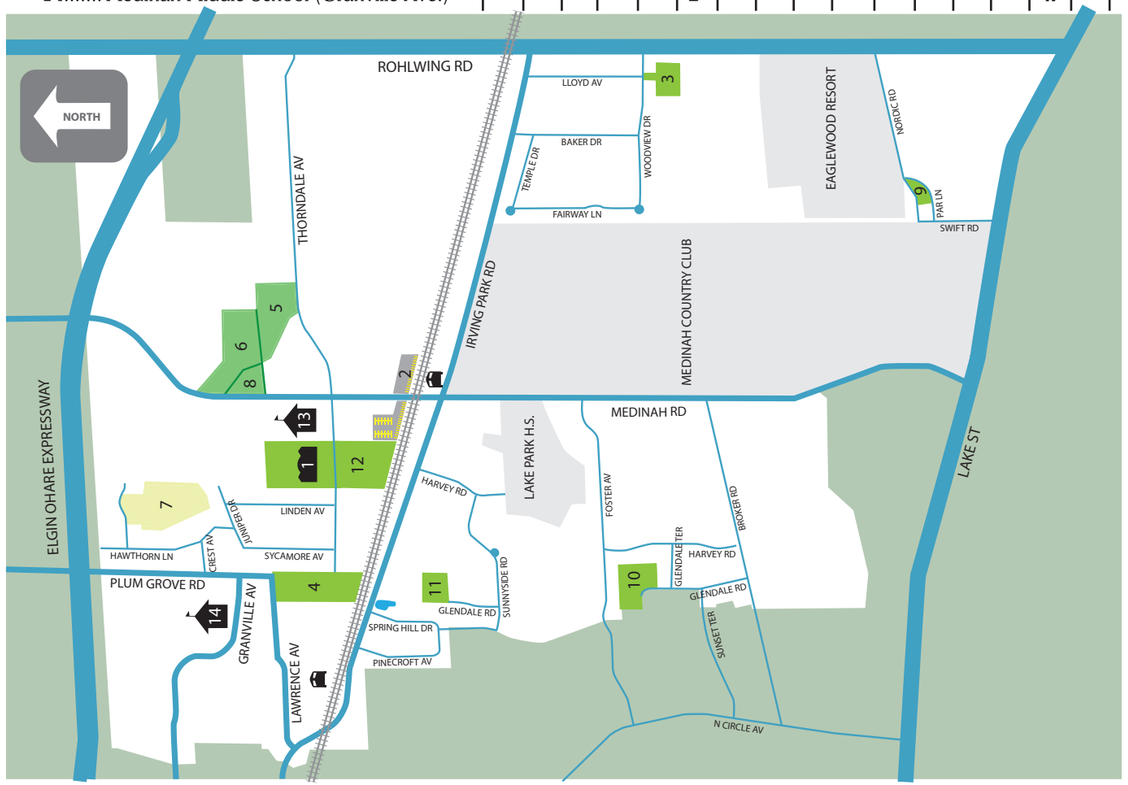

We gladly accept personal checks as payment for registration fees. If, for any reason, a check is returned to our office marked "NSF" we will contact you. You will be required to submit a full cash payment, as well as the current bank service charge, in order to maintain your registration in your particular program of interest. Class privileges will be suspended and new registration will not be accepted until payment is received.

Refund Policy

Refunds for programs will not be made once a program has begun unless the program is cancelled by the Park District, the participant moves from the district or the participant provides a medical document from his/her physician. Trip refunds will not be made after the registration deadline unless the ticket can be resold.

An administrative fee of $5.00 will be charged for any refund request except when a program is cancelled by the Medinah Park District. In addition, a refund will be prorated if any classes were attended. Refunds can take up to 4 weeks to process.
